

**North Windy Ridge**

**Family Curriculum Event**

---

We invite all of our North Windy Ridge families to join us in learning more about your child's curriculum. If you have wondered, what is my child learning about and how, this is for YOU!

Please join us from the comfort of your home.

**When?** March 23, 2021 at anytime

**Where?** North Windy Ridge website

**How?** Look for a presentation (like we did during Open House in the Fall). There, you can click on the videos made by NWR teachers!

**Please complete a brief survey at the end for us.**

**For all families who complete the survey, the student will receive a Rick Riordan book to keep!**
